Fragile Peace: State Failure, Violence and Development in Crisis Regions

Fragile Peace: State Failure, Violence and Development in Crisis Regions

The contributors to this volume explore a number of regions in which internal violence and conflict stubbornly persist, and why domestic and international efforts to re-establish order, human security, democratic processes, and an economy capable of developing, are proving so difficult to achieve. Particular attention is given to three important regions - the Caucasus, Central America and the Horn of Africa.
