Gestion De Sistemas Educativos Con Calidad (Spanish Edition)

Dr. Manuel Angel Tomioka Suzuki

Gestion De Sistemas Educativos Con Calidad (Spanish Edition) Dr. Manuel Angel Tomioka Suzuki

Este libro responde en conocer como implementar Calidad en la Educación (en América Latina). Al recorrer los diferentes capítulos y se apreciará que es menos complicada si se sigue un método exitosamente probado (Filosofía Deming), para desarrollar, crecer, mejorar y prosperar la Calidad Educativa y por ende, Mejorar la Productividad de los centros educativos. Se ve la necesidad de mejorar los sistemas educativos (áreas técnicas, días y horas de estudio al año, idiomas, computación, etc) debido a los grandes cambios suscitados en los últimos años en todos los campos de acción. Cuando en un país, la educación en general es deficiente y presenta centros educativos con muchas diferencias (sectores de mayor poder adquisitivo), los beneficiarios del crecimiento económico del país, son los más calificados, generando desigualdades sociales que en un futuro cercano explotarán como lucha de clases, como está sucediendo en algunos países de América Latina y del mundo.
