God's Other Children: Personal Encounters with Faith, Love, and Holiness in Sacred India Bradley Malkovsky

God's Other Children by Bradley Malkovsky is a charming spiritual travelogue that tells the tale of a Catholic religious scholar who goes to India to study Hinduism and winds up falling in love with and marrying a Muslim.

In the tradition of *The Faith Club*, Malkovsky, who holds a degree in Catholic theology, shares how his spiritual journey grew his faith, while raising questions about it that he had never considered, and how it changed his life in ways he could never have imagined.

Inspiring and profound, *God's Other Children: Personal Encounters with Faith, Love, and Holiness in Sacred India* offers a fascinating perspective on how people of all faiths encounter God. Author Bradley Malkovsky won the Huston Smith Publishing Prize for this manuscript from HarperOne.
