This gold-standard two-volume set is a comprehensive text for residents in training and practicing orthopaedists. Now in its Fifth Edition, this widely renowned and established tool features new authors, new illustrations, new technology, and new techniques. With a format that is thorough, it remains clearly written and is designed for reader ease. Chapter outlines, tables, boxes and graphics contain a generous amount of information. Updated topics include X-rays and surgical anatomy. The two-volume set is accompanied by a CD-ROM, which features fully searchable text and power point presentation (with simple animation) of 40 surgical procedures. The CD-ROM also provides PubMed access.

**A Brandon-Hill recommended title.**
