The book explains the fundamental principles of the Reading Comprehension section by including:

- Substantial discussions of how to deconstruct the passages, how to identify and attack the questions, and how to successfully avoid traps set by the test makers.
- A variety of drills and exercises that supplement the discussion of techniques and question analysis. The drills help strengthen specific skills that are critical for LSAT excellence.
- A complete quick-reference answer key to all of the problems. This includes chapter-by-chapter answer keys, and a unique reverse look-up feature that lists all of the included passages, sorted by the LSAT administration date and PrepTest number.
