Genesis 2:18 (GW) Then the Lord God said, “It is not good for the man to be alone. I will make a helper who is right for him.” The first institution that God created on earth was the institution of marriage. This was to be the place where a man and a woman would fulfill God’s mandate of dominion, for their lives as one. Through this institution, man would love His wife unto God and the woman would submit to her husband unto God. The wife was to help her husband with the vision God had given them for their family. When God creates anything and makes it the “first”, He never changes His mind. He never needs to substitute it with something else in order for the world to keep moving. When God set the parameters for marriage, He meant it. The book, *The Wife Factor*, is a life-changing resource that every WIFE should have! The words of the book will assist you as you assist your husband. The WIFE authors of this book tell their own stories of losses and victories in marriage. While, the Literary Lead, Candace Ford, gives you the necessary tools of how to be a WIFE Factor, properly helping your husband and your family walk in the plan and purpose designated by heaven.
