## Women and Mental Disorders [4 volumes] (Women's Psychology)

For too long, studies lumped women's mental health with that of men, notwithstanding profound differences. This groundbreaking work decisively addresses that oversight as a team of expert scholars and therapists spotlights common female mental disorders, explores the causes, and explains available therapies.

- Contributions from over 80 distinguished researchers and therapists
- 40 original essays on all aspects of the subject
- Bibliographic references at the end of each chapter
- Name and subject indexes in each volume
