"If Christians are to be prepared to give a defense for the hope they have in Christ, then they must provide some answers for the questions of the age - or at least ask some good questions that will force people to reexamine the biblical text. The best way to accomplish this is the accumulation of evidence in a logical way so people can have a satisfied mind. This new resource constructs a firm foundation, block by block, as it examines the evidence that leads to hope in a humble defense of the Christian faith."
