Corners in the City of God: Theology, Philosophy, and The Wire

Corners in the City of God: Theology, Philosophy, and The Wire

David Simon's *The Wire* lays out before us a city in which people struggle under the weight of poverty, political corruption, economic despair, educational collapse, and the drug trade. This volume explores the various theological, ethical, and philosophical challenges presented by *The Wire*. As each season of *The Wire* unfolds, the moral complexities of life in the city deepen, as the failures of one system have unforeseen effects in other corners of the city. Fleshing out the ongoing tension between the "earthly city" and the City of God, *Corners in the City of God* is a theological companion to David Simon's masterpiece, inviting the reader to wrestle with the implications of belonging fully to the cities of the world, in all of their splendor and tragedy.
