Leave of Absence

Tanya J. Peterson

Leave of Absence Tanya J. Peterson

In this insightful and evocative novel, Tanya J. Peterson delves deeply into the world of post-traumatic stress disorder, depression, and schizophrenia. When Oliver Graham's suicide attempt fails, he is admitted to Airhaven Behavioral Health Center. Unable to cope with the traumatic loss of his beloved wife and son, he finds a single thread of attachment to life in Penelope, a fellow patient wrestling with schizophrenia and its devastating impact on her once happy and successful life. They both struggle to discover a reason to live while Penelope's fiancé William strives to convince her that she is worth loving. As Oliver and Penelope try to achieve emotional stability, face others who have been part of their lives, and function in the "real world," they discover that human connection may be reason enough to go on. Written with extraordinary perception into the thought processes of those grappling with mental illness, *Leave of Absence* is perfect for readers seeking an empathic depiction of grief, loss, and schizophrenia, as well as anyone who has ever experienced human suffering and healing.

Jose Lloyd:

Your reading 6th sense will not betray a person, why because this Leave of Absence e-book written by well-known writer we are excited for well how to make book that may be understand by anyone who also read the book. Written with good manner for you, dripping every ideas and creating skill only for eliminate your own hunger then you still hesitation Leave of Absence as good book not merely by the cover but also through the content. This is one book that can break don't evaluate book by its cover, so do you still needing another sixth sense to pick this specific!? Oh come on your looking at sixth sense already told you so why you have to listening to a different sixth sense.

Hermelinda Anthony:

As a scholar exactly feel bored to help reading. If their teacher inquired them to go to the library or even make summary for some e-book, they are complained. Just tiny students that has reading's spirit or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that studying is not important, boring as well as can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Leave of Absence can make you truly feel more interested to read.
