Para que no se me olvide (Spanish Edition) Paquita Suárez Coalla

Para que no se me olvide está formado por 18 cuentos, intercalados por una serie de viñetas, detrás de cuyas anécdotas se puede reconocer todo un siglo de historia española redefinido por el prisma emocional de tres generaciones de mujeres: las que nacidas a principios del siglo XX les tocó enfrentar la realidad de la guerra, del hambre y de la miseria material; las que tuvieron que acomodarse a la represión de la dictadura franquista, a costa siempre de ver menoscabado su espacio afectivo; y las que nacidas en los últimos años del franquismo, o en los albores de la democracia, aprovecharon las ventajas que sus madres y abuelas les ofrecieron y se atrevieron a cuestionar, por primera vez, parte de los mismos valores que éstas les habían legado. Salvo las viñetas que se intercalan entre los cuentos y en las que la misma voz de una mujer nacida a principios del siglo XX nos cuenta con bastante serenidad lo que fue su vida marcada por el hambre y las carencias las demás narraciones están ordenadas según el ritmo de la memoria y el recuerdo, y sin tener demasiado en cuenta el momento histórico en el que cada una de ellas se desarrolla. Los cuentos están todos escritos en primera persona, conservando a propósito el tono oral de las historias y dando prioridad a la voz y al punto de vista de estas mujeres que han carecido siempre de un espacio público de expresión.
