Warfare always surrounds the birth of a miracle. Praying Through the Promises of God deals with engaging your prophetic word and not letting the enemy steal your prophecy or interfere with your destiny. When a prophetic word is released, the enemy knows God's plan and begins to work against it. It is the responsibility of the believer to take that spoken word and birth it into the earth realm through diligent prayer and fasting. There is a prevalent notion which says; "God said it, I believe it, and that settles it." However, this notion has led to many disappointments because of a lack of understanding concerning the rules of engagement. This classic will inspire and show you how to translate your promise into reality. With three decades of Ministry behind him, Archbishop Nicholas Duncan-Williams is the Presiding Archbishop and General Overseer of Christian Action Faith Ministries (CAFM). CAFM has over 150 affiliate and branch churches located in North America, Europe, Asia and Africa. Archbishop Duncan-Williams is also the Founder and President of Prayer Summit International and Global Prayer Invasion, which bring the message and the power of prayer to many around the world. With a unique anointing in the area of prayer and intercession, Archbishop has been recognized by many leaders in the body of Christ as the "Apostle of Strategic Prayer." Having gained accreditation and respect by various church leaders, God has used him to counsel and speak into the lives of world leaders, while still maintaining his touch with the common man. He is affectionately called "Papa" by many.
