Why We Pray William J.U. Philip

Prayer is foundational to the Christian life, but many people don't really understand it. What is it for? How does it work? Why do we do it? This short and accessible book explains what prayer is, why it exists, and how it can encourage us in our life of faith. Written by a pastor with years of teaching and counseling experience, *Why We Pray* doesn't simply tell readers why they *should* pray, but instead focuses on four blessing-filled reasons that will help Christians *want* to pray. Rather than feeling discouraged and disheartened by their inconsistency in prayer, readers will feel reinvigorated to approach God with confidence and joy, delighted by the privilege of talking directly to their loving heavenly Father.
