PARANORMAL ROMANCE: The Exiled Vampire (The Errant Princess) (The Twin Witch Queens Book 1) Cinderella McDaniels

**The youngest of the Witch Queen's daughters, the tomboyish and rebellious Terra, must find her mother to save the witches from a paranormal foe. Will she be willing to use her body to get the information she needs?**

Terra was handed a life of luxury, one with princes begging for her hand and the possibility of succeeding her mother on the throne.

She kicked all of that aside, left the princes to her sister, and decided to search for the only person that could truly heal the kingdom: her mother, Anai Neithercutt, the Witch Queen who rules even in her absence.

Her only lead is a name, someone her mother used to trust. When Terra finds him, he seems too young to have known Anai.

Will Terra get the information she needs from him? How far is she willing to go?
