Two years ago, the woman he'd hoped to collar and marry disappeared. So Reece McRae is stunned to find his former girlfriend on her knees, behaving as the submissive he'd always wanted.

Is it too late? He should refuse her, but an undeniable sexual attraction consumes him.

Sarah had been under Reece's spell from the moment she met him. When she found a steel collar in his drawer, she panicked. The idea of a lifetime of his relentless demands, sensual and otherwise, suffocated her.

In the years they've been apart, she hasn't met his equal. Now, convinced one last night will vanquish his memory, she sets out to seduce him

.

The Reece she returns to is even more determined to have his way. Is she now strong enough, brave enough, to surrender to his love?

## **Out standing reader and industry reviews**

"I enjoyed Crave, especially meeting Reece and Sarah. This is a story of second chances, misunderstanding and revisiting love."

"Awesome book from Sierra. She's always been a leader in BDSM but this is her best to date."

"Crave! what can I say didn't like it! Loved it loved it, yet again Sierra delivers. This is the first of series of four so got to wait for the next instalment cannot wait. Thanks Sierra"

"Crave is a sizzling read. As in all of Ms. Cartwright's novels, the BDSM scenes and sex are extraordinary, but there is more. The author not only sucked me into the BDSM lifestyle once more, she sucked me into a new world: the world of Sarah and Reece, of luxury and decadence, of heartbreak and love."

"She [Sierra Cartwright] writes characters with depth and growth. As with her other works, I couldn't put it down. Looking forward to the rest of the series."

## About the Sierra Cartwright

### INTERNATIONAL BESTSELLER

Sierra Cartwright was born in Manchester, England and raised in Colorado. Moving to the United States was nothing like her young imagination had concocted. She expected to see cowboys everywhere, and a covered wagon or two would have been really nice!

Now she writes novels as untamed as the Rockies, while spending a fair amount of time in Texas...where, it turns out, the Texas Rangers law officers don't ride horses to roundup the bad guys, or have six-shooters strapped to their sexy thighs as she expected. And she's yet to see a poster that says Wanted: Dead or Alive. (Can you tell she has a vivid imagination?)

Sierra wrote her first book at age nine, a fanfic episode of Star Trek when she was fifteen, and she completed her first romance novel at nineteen. She actually kissed William Shatner (Captain Kirk) on the cheek once, and she says that's her biggest claim to fame. Her adventure through the turmoil of trust has taught her that love is the greatest gift. Like her image of the Old West, her writing is untamed, and nothing is off-limits.

She invites you to take a walk on the wild side...but only if you dare.
