This little booklet will help all seekers of truth to know the mind of God concerning speaking in "tongues" and spiritual misuse of "gifts." It is for this purpose that this work has been done. All too often, Christians are approached by super-Charismatics who prey upon them. They seek converts among innocent Christians trying to learn about God. When new Christians are told they are not really saved until they speak in tongues, they become rightfully concerned. Since they want to please their new Lord, they naturally want to speak in tongues, but there something holds them back; something tells them things are not right, but they can't put their finger on it. This booklet is written for those Christian brothers and sisters. If they follow where this booklet leads them in God's word, they will clearly understand God's teaching on this subject.
