Kahnjuring: Deceptive Practices With Playing Cards Scott Kahn

Rollover Revelation Revisited A flashy opening effect in which the three mates of a chosen card are produced in an unexpected manner. My Signature Effect Two signed transparent playing cards magically transpose with one another... and so do the signatures. Across The Void An impromptu and visually stunning version of the classic Cards Across plot. Four For One And One For All Four Jacks undoubtedly placed reversed into four different parts of the deck instantly change places with a signed selection held by the performer. The Kure Cut A flourishy, deceptive in-the-hands full deck false cut. The Kure Pop-Out Move A finger-flicking production of a selected card that not only looks impossible but is oh so fun to perform. Stale Moldy Bread The Visitor plot revisited... using odd-backed cards. Take Two A simple yet effective double two card transposition that will leave your audience gasping. Let's Twist Again Twisting the Aces... with a twist. Triple Coincidence Three odd-backed predictions shuffled into a deck prove to be the three cards freely selected by three audience members. No forces! No duplicates! Simply ingenious! "Scott Kahn is a wonderfully inventive creator who is worth keeping your eyes on. It will be well worth the wait to see what other gems Scott has in store for us. Me? I can hardly wait. I have no reservations at all about the quality of Scott's work. Nice job!" --Shane Causer, Visions, The Online Journal of the Art of Magic "I loved Rollover Revelation. Thumb's way up from me!" --Doug Conn, USA "Your method of writing is excellent. I don't think I will ever go as far as writing my own material down for the public because there are guys like you that do it so much better." --Gerhard Erasmus, Taiwan "Well done! I like your ideas." --Richard James, Connoisseur Conjuring "Scott's Rollover Revelation is quick, direct and very much unexpected!" --Joshua Jay, USA "Very commercial! You can tell Scott puts thought into his card magic." --Marshall Petersen, H&R Books "Nice job. Excellent handling. I'm definitely going to publish Rollover Revelation in my MAGIC Magazine column. Keep up the good work." --Jon Racherbaumer, USA
