Articulations: On The Utilisation and Meanings of Psychedelics Julian Palmer

Drawing upon 15 years of profound research, *Articulations* is an illuminating inquiry into the many different plants and compounds available in the modern day, conducive 'mindsets' and understandings regarding how psychedelics can be most constructively utilised.

Articulations presents an uncompromising and clear analysis of the psychedelic state, intricately exploring the origins of the visions, the nature of the beings, and how authentic healing can most effectively proceed through the conscious use of psychedelics.
