Beyond the Veil: An Old Testament Call to Deeper Intimacy With God F. Wayne Mac Leod

When the Lord Jesus died on the cross, the veil of the temple was ripped from top to bottom opening the door for true spiritual intimacy between God and His people. While the barrier between God and His people has now been removed, all to many believers live as if it were still in place. This book examines the tabernacle of the Old Testament as a symbol of the Christian life. Its purpose is to renew the call of God to all believers to move from the outer court of salvation, through the Holy Place and ultimately into true intimacy with God. While showing God's requirements for deeper intimacy, this book's main objective is to challenge readers to examine their lives in light of God's call into the Most Holy Place.
