Mycotoxin Contamination and Control

Henry Njapau

Mycotoxin Contamination and Control Henry Njapau

This book contains review and original research chapters by experts in the specific topic areas. The reviews are based on presentations made at the 2002 International Workshop on Mycotoxins at the FDA in College Park Maryland. It is intended to be a resource book (text book) for participants and other academicians and reseachers with interest in food safety, particularly those in developing countries.
