Chosen Prey John Sandford

He seems like such a nice man. You'd never guess what was going on in his mind...

Art history professor James Qatar has a hobby: he takes secret photographs of women to fuel more elaborate fantasies. When he's alone. Behind locked doors. Then one day, he goes a step further and... well, one thing leads to another. Qatar has no choice. He has to kill her. And you know something? He *likes* it.

When Deputy Chief Lucas Davenport takes the case, he assumes it'll be straightforward police work. He couldn't be more wrong. As the investigation trail takes some unexpected turns, it becomes clear that nothing is straightforward about this killer, his victims, or his motives. And to stop him Lucas has no choice but to walk right into his lair.
