## **Everything you Ever Wanted to Know about the World Cup Volume Seven: 2010-2014 (Volume 7)**

Sam Berkeley

Books on the World Cup fall into two types: some are weighty, detailed and reasonably accurate but inaccessible, for the most hardcore of fans only; others are funny, easy to read and a great introduction but pack little punch and leave plenty of stones unturned. There is nothing in the middle. But why not? What if there were something which both World Cup veterans and novices could pick up and enjoy, with all the info and all the drama, all the stats and all the weirdest incidents? There is now. This series of books looks at every single match in more detail than ever before but it also searches out the fascinating, the extraordinary, the memorable, and brings them out of the text, highlighting the pick of the action. This volume takes in Spain's glorious triumph in South Africa in 2010 and Germany's march to a historic title in 2014. It also includes all-time team selections for all the World Cup's most successful nations.
