HIDDEN TREASURES: How to Realize Your Potential What made Rebbe Nachman different from many other Chassidic masters was his ability to access the mysteries of the Kabbalah and extract practical advice for living life to the fullest. Here the Rebbe elucidates one of the first secrets of Creation – how God went about creating the world as we know it – and applies its lessons to our own quest for physical, financial, emotional and spiritual success. An invaluable guide for achieving personal greatness.
