In theory, autocorrect is a genius feature that saves you from embarrassing errors. In reality, it seems to have a mind of its own, turning your innocent messages into inadvertently scandalous texts that could appall hardened war criminals and make veteran hookers blush. Fortunately, one person's humiliation is another's hilarity, and this big book gathers the very best (or worst, depending on your point of view) failed fixes, presenting them in the popular "bubble" conversation format that captures the progressive confusion, distress, and comedy as the autocorrect goes rogue.
